

Chief and Council Bulletin 2013 - 002

July 4th, 2013

Kwe Kwe! Boozhoo, Ahnee

Summer is upon us and there are many activities taking place over the next 2 months. Please call the office if you need event details or want to receive updates via email – Mary would be pleased to assist.

Chief and Council are please to share a number of outcomes that have occurred over the course of the last two months.

1. MFN Main Road Construction to start in July/Aug; please observe construction signs and traffic control; MFN receives \$700k in Capital Funds from MTO (Province) to complete the project.
2. Wireless is BACK ON at the Community Building!
3. Council continues to consolidate current non-program revenues (Agreement Revenue, Partnership Revenue, Casino Rama account) to establish a budget as the audit for 2012-13 wraps up.
4. 10 SUMMER STUDENTS hired for an 8 week period.
5. Young-Davidson Project – MFN partners through existing agreements with LEDCOR and MILLER Joint Venture access more work on the Tailings Raise Project
6. June 24th Council met with the Matachewan First Nation Limited Partnership to initiate the process to establish a Strategic Direction for the LP and our operating General Partner; next meeting scheduled for September.

Please continue to visit the MFN website for ongoing WHATS NEW announcements related to program events, community events and employment opportunities.

In the spirit of community

Chief and Council
