

Matachewan First Nation Trust Development

First Community Engagement Session

May 25, 2016

1. Every Trust has one group will drive the decision making for Trust annual spending. For Matachewan First Nation this should be:

- a) Council
- b) Trustees
- c) Community Members through a consultation process

2. Which of the following should be Core Values of the Trust? Please check all that apply.

- a) Accountability to Members
- b) Accountability to Council
- c) Transparency
- d) Efficient Administration
- e) Adaptable to the changing needs of Matachewan FN
- f) Sustainable for future generations
- g) Respect for Traditional Values

Are there other core values that should be represented that are not on this list?

3. Every Trust has specific Purposes. They can be very broad or very narrow. What should be the primary Purposes of this Trust? Check all that apply.

- a) To support the implementation of the Matachewan Strategic Plan
- b) To support initiatives that are not provided for in this plan
- c) A combination of both

4. Other Purposes of a Trust could include any of the following. Which of these do you think are most important and should be included?

- a) To support entrepreneurship of members
- b) To support economic development
- c) To support healthy lifestyles of members
- d) To support community development, including recreation facilities and programs, elders' programs and social services
- e) To support cultural awareness, maintenance and development, including traditional language
- f) To support education and training
- g) To support the preparation and advancement of claims to protect and uphold Aboriginal rights and title
- h) To support community housing initiatives
- i) To support and provide funding for Matachewan FN disaster relief
- j) To fund any operating deficits for the First Nation

5. Every Trust also has a defined time horizon until the Trust is terminated. How long should this Trust last?

- a) 20 years
- b) 40 years
- c) 60 years
- d) As long as there is a Matachewan First Nation

6. Do you want this trust to be a legacy for future generations?

- Yes
- No

7. Should it be very easy to terminate the Trust earlier than the original intended date?

- Yes
- No
