Due to the Covid-19 & the Variants rising we as C&C have put forward this Bulletin to advise you of our Protocols to keep the Community Safe!

- only allow MFN band members & their immediate family (spouse, children, step children) in at this time & C&C are allowed due to Covid-19 & the Variants
- essential workers & Health assistance are allowed in to continue to care for the members
- workers are available for mental health & well-being
- a sign in/out sheet is placed at the Gas Bar collecting name/number for contact tracing
- Band Office employees to fill out a screened questionnaire at the beginning of their work day
- Meals on Wheels will continue
- Essential workers who shop for groceries etc will continue
- please continue to stay in your bubble & maintain social distancing, wear your mask, hand washing, & sanitize

A lot of thought & consideration has been put into this decision by C&C & we trust that our Community Members are abiding by the Rules & Regulations of Covid-19 & Variants.
