FOCUS GROUP MEETING

Visualizing Cumulative Impacts to our First Nations' Rights

Wabun Tribal Council and Shared Value Solutions will be holding a focus group with community members to gather information about how the lands and waters have been impacted by development

Questions will focus on:

- How different projects like forestry, mining, and others have impacted the lands and waters
- How these impacts have affected community members and their use of the land

Thursday January 11th

1:30pm - 3:30pm EST

Virtual - A Microsoft Teams meeting link will be emailed

More sessions to come in the new year
