# CALL FOR INTERVIEW PARTICIPANTS

## Visualizing Cumulative Impacts to our First Nations' Rights

Wabun Tribal Council and Shared Value Solutions are interviewing community members to learn more about where and how Wabun Tribal Council member Nations' rights are being impacted by industry or other disturbances on the land

### Questions will focus on:

- Community members' experiences with changes to the lands and waters over time
- Mapping areas where community members' use of the land has changed
- Mapping important areas that should be protected

**Interviews will take place virtually on Microsoft Teams**
