

Licensed Mechanic

If you thrive on success and team work in a team culture, Agnico Eagle offers career opportunities on a global scale. We provide rewarding and challenging work that will help you grow your skills and your career. Agnico Eagle is committed to creating meaningful opportunities for our employees and we encourage everyone who works for us to contribute to their full potential. We are an equal opportunity employer and value diversity. We provide a safe work environment and seek to ensure all individuals are treated with respect and dignity, free from harassment, discrimination, bullying and retaliation. All employment is decided on the basis of qualifications, merit and business need. Disability-related accommodations during the application and selection process are available upon request. Interested? We hope you are.

INTRO

Location: Macassa Mine, Kirkland Lake, ON

Rotation: 7/7 schedule, 10 hour shifts.

This role is not a Camp Based opportunity.

WHAT DO YOU VALUE IN A CAREER?

At Agnico Eagle, our values never waver. We believe in trust, respect, equality, family and responsibility. Why? Because they express who we are and they have helped us succeed in business for over 60 years.

WHAT DOES AGNICO EAGLE VALUE?

We value you – your unique set of skills and experience. We value your willingness to build those skills and make a meaningful contribution to our company. And, we value your commitment to treat every person on our team with respect, helping us to operate safely, protect the environment and make a positive contribution to our local communities.

MACASSA MINE

Agnico Eagle Mines' Macassa Mine is situated on the traditional homelands of the Apitipi Anicinapek Nation, Beaverhouse First Nation, and Matachewan First Nation. In honoring our relationships with and commitments to our Partner Nations, Agnico Eagle prioritizes the hiring of Members from these Nations. To support this commitment, members from these Nations seeking employment opportunities at the Macassa Mine are encouraged to self-identify during the job application process. This ensures that we can consider your application appropriately in line with our dedication to supporting our Partner Nations.

ABOUT THE OPPORTUNITY

Based at the Macassa Mine Site, we currently have an exciting opportunity for a **Licensed Mechanic** to join our Mine Maintenance team.

The Macassa Mine is a high-grade gold producer, with grade improving at depth, and a key valuation driver for Agnico Eagle. Located in the Town of Kirkland Lake, Ontario, the Macassa Mine remains one of the highest gold grade mines in the world. Macassa commenced operations in 2002, and with the discovery of the South Mine Complex has been able to increase its level of production significantly over the past five years. The mine is located in an area with well-developed infrastructure, including a provincial highway, a railway system and a private airport. High-grade ore is processed at the Macassa Mill, which currently has available capacity and is located in close proximity to the mine.

The Licensed Mechanic is an integral member supporting the safe and continuous Mining operation. The Licensed Mechanic is considered capable and with qualification to install, repair and make good items in planned and unplanned maintenance.

RESPONSIBILITIES

- Repairs to diesel equipment, including, but not limited to: Atlas Copco M2 and S2 Jumbos, Epiroc Scoops, Trucks, Scissor Lifts, Mine Cat equipment.
