

INDUSTRIAL MILLWRIGHT

Work Location: Timmins, ON

Reference Number: 2025-001

Position Type: Full-time

Work Schedule: 5-2, 8-hour shifts

Compensation: Hourly, based on experience and qualifications.

COMPANY OVERVIEW

Northern Sun Mining is a reputable mining company located 25 km southeast of Timmins, Ontario, where it owns and operates the Redstone concentrator. For almost a decade, Northern Sun Mining has been providing custom milling services to various mining communities, demonstrating exceptional recoveries of gold and platinum group metals.

ABOUT THE OPPORTUNITY

Northern Sun Mining currently has an exciting opportunity for an Industrial Millwright to join our Maintenance department. Reporting to the Maintenance Supervisor, the ideal candidate will be responsible for installing, maintaining, troubleshooting, and repairing machinery and equipment in accordance with safety and operational standards. This role is crucial in ensuring the continuous and efficient operation of our processing requirements. Please note that this is not a camp-based position.

DUTIES AND RESPONSIBILITIES

- Consult manuals, interpret diagrams and schematic drawings.
- Maintain and repair industrial machinery and mechanical equipment, including pumps, conveyor belts, crushers, piping, platework, tanks and flotation agitators.
- Safely operate hoisting and lifting devices as needed during machinery repairs.
- Address mechanical and technical issues both independently and collaboratively.
- Accurately work with numerical data and occasionally create basic drawings of machinery components.
- Clean, lubricate and perform other routine maintenance on machinery.
- Use welding equipment and/or hand and power tools as required.
- Perform scheduled preventative maintenance work.
- Prepare and document maintenance reports.
- Participate in an on-call rotation.
- Work in compliance with prescribed company policies and procedures.
- Be proactive with company safety initiatives.
- Additional tasks as assigned by the Mechanical Supervisor and/or Maintenance General Foreman.

QUALIFICATIONS

- Ontario provincial or inter-provincial trade certificate or equivalent.
- CWB certificate is an asset.
- A minimum of 1 year of relevant experience in an industrial environment is preferred.
- Basic Mill Process Operator Common Core is an asset.
- Valid driver's license.
- Understanding of mechanical and electrical components related to conventional milling equipment, such as conveyors, pumps, crushers, grinding mills, screens, and hydraulics.
- Responsible for providing own personal tools.
- Previous experience using computer software relevant to maintenance operations.
- Self-motivated and capable of performing tasks with minimal supervision.
- Strong problem-solving skills related to troubleshooting equipment issues, preferably in a fast-paced industrial environment.

BENEFITS

In addition to a competitive compensation package, we also offer:

- Comprehensive drug coverage and extended health care benefits
- Dental insurance
- Group life insurance
- Long-term disability coverage
- Competitive paid vacation entitlements
- Group retirement savings plan with company match
- Opportunities for career advancement and professional development

HOW TO APPLY

If you are a dedicated and highly motivated individual seeking to join a dynamic team, we encourage you to submit your resume detailing your relevant experience to contact@northernsunmining.ca. Please include reference number "2025-001" in the subject line.

Note: Only shortlisted candidates will be contacted for interviews. We appreciate all applicants for their interest in our company.

Northern Sun Mining Corp. is an equal opportunity employer. We are committed to providing an environment of mutual respect and we believe that diversity and inclusion among our team members is critical to our success. Wherever possible, accommodation is made for qualified applicants with self-declared disabilities. We are committed to creating an inclusive environment for all employees and all aspects of employment including the decision to hire or promote will be based on merit, competence, performance, and business requirements.
