

TRUCK SCALE OPERATOR

Work Location: Timmins, ON

Reference Number: 2025-017

Position Type: Full-time

Work Schedule: 5-5-4 rotation, 12-hour shifts

Compensation: Hourly, based on experience and qualifications.

COMPANY OVERVIEW

Northern Sun Mining is a reputable mining company located 25 km southeast of Timmins, Ontario, where it owns and operates the Redstone concentrator. For almost a decade, Northern Sun Mining has been providing custom milling services to various mining communities, demonstrating exceptional recoveries of gold and platinum group metals.

ABOUT THE OPPORTUNITY

Northern Sun Mining currently has an exciting opportunity for a Truck Scale Operator to join our Metallurgical department. Reporting to the Lab Supervisor, the ideal candidate will be responsible for overseeing the weighing and tracking of all outgoing shipments at the truck scale. This role is crucial in ensuring accurate measurements while adhering to safety and quality standards. Please note that this is not a camp-based position.

DUTIES AND RESPONSIBILITIES

- Effectively operate the truck scale; weigh outgoing shipments.
- Collect representative samples from outgoing concentrate shipments.
- Communicate courteously and professionally with all truck drivers.
- Review information provided by truck drivers to ensure accuracy.
- Implement and recommend methods for loadout efficiency.
- Organize trucks efficiently for loading on the truck scale.
- Monitor weights to prevent truck overloads.
- Accurately enter truck and shipment information into computer database.
- Ensure equipment reports are completed at the start of each shift.
- Maintain a clean and safe work area, including the truck-scale and concentrate conveyors.
- Perform snow removal of truck scale as needed.
- Proficiently operate a two-way radio when required.
- Work in compliance with prescribed company policies and procedures.
- Be proactive with company safety initiatives.
- Additional tasks as assigned by the Lab Supervisor and/or Engineering personnel.

QUALIFICATIONS

- High school diploma or equivalent.
- Previous experience working in an industrial environment is an asset.
- Valid driver's license.
- Mill Common Core is an asset.
- Ability to maintain high-quality standards in documentation and operation processes.
- Basic understanding of sampling procedures is highly regarded.
- Capable of performing physical tasks in all weather conditions.
- Ability to work safely and effectively in a team environment as well as independently.
- Effective communication and interpersonal skills.

BENEFITS

In addition to a competitive compensation package, we also offer:

- Comprehensive drug coverage and extended health care benefits
- Dental insurance
- Group life insurance
- Long-term disability coverage
- Competitive paid vacation entitlements
- Group retirement savings plan with company match
- Opportunities for career advancement and professional development

HOW TO APPLY

If you are a dedicated and highly motivated individual seeking to join a dynamic team, we encourage you to submit your resume detailing your relevant experience to contact@northernsunmining.ca. Please include reference number "2024-017" in the subject line.

Note: Only shortlisted candidates will be contacted for interviews. We appreciate all applicants for their interest in our company.

Northern Sun Mining Corp. is an equal opportunity employer. We are committed to providing an environment of mutual respect and we believe that diversity and inclusion among our team members is critical to our success. Wherever possible, accommodation is made for qualified applicants with self-declared disabilities. We are committed to creating an inclusive environment for all employees and all aspects of employment including the decision to hire or promote will be based on merit, competence, performance, and business requirements.
