

## Job Opportunity

Alamos Gold Inc. Young-Davidson is currently recruiting the following challenging position to join our maintenance team:

### Mechanic

Alamos Gold's **Young-Davidson** is a low-cost, long-life operation and one of Canada's largest underground gold mines. It is located near the town of Matachewan centrally located between Timmins, Kirkland Lake, North Bay and Sudbury, Ontario. The 2020 completion of a highly automated, lower mine expansion has resulted in Young-Davidson increasing production and generating strong free cash flow. With a large Mineral Reserve base, it will serve as Alamos' foundation for growth for many years to come. This is a very exciting time at Young-Davidson, and we are searching for highly motivated and committed people to join our team!

If you are willing to be part of a team that is dedicated to growth, high performance and a culture of safety and accountability, we would like to hear from you!

**Date Posted: March 14, 2025**

**Closing Date: Until filled**

Reporting to the Mobile Mechanical Supervisor, the successful candidate will be responsible for performing a full range of maintenance, repair and service activities on heavy equipment.

#### Primary Responsibilities:

- Check mobile mining equipment for proper performance and inspect equipment to detect faults and malfunction;
- Equipment removal, installation, alignment, troubleshooting and repair;
- Diagnose faults or malfunctions using computerized and other testing equipment to determine extent of repair required;
- Must have excellent understanding of hydraulic and electrical schematics;
- Adjust equipment and repair or replace defective parts, components or systems, using hand and power tools;
- Test repaired equipment for proper performance and to ensure that work meets manufacturers' specifications;
- Clean, lubricate and perform other routine maintenance work on equipment;
- Perform repair work on heavy trucks;
- Attach components and adjust new equipment;
- Open work-orders, find parts and complete parts list in work-orders using all available resources; and
- Other duties assigned by the Mobile Mechanical Supervisor as required.

#### Qualifications and Experience:

- Ability to diagnose, repair, maintain and overhaul mobile mining equipment;
- Minimum of 5 years' mechanical experience in underground mining operations;
- Preferred candidate will have Ontario or inter-provincial trade qualification;
- Accredited in U/G common core modules;

ALAMOS GOLD INC.  
YOUNG-DAVIDSON

- Accreditation in specialty modules would be an asset;
- Strong safety focus; and
- Self-motivated ability to work alone.

Schedule: 10 hour shifts with a 5-5-4 rotating schedule

Young Davidson offers competitive salaries and benefits packages with opportunities for both personal and professional advancement.

Qualified candidates are invited to visit our website, [www.alamosgold.com](http://www.alamosgold.com) and apply online under the careers' sections.
