EMPLOYMENT OPPORTUNITY

Job Title: Permanent Full-Time – Registered Practical Nurse/Registered Nurse Position

Location(s): New Liskeard Site

Mino M'shki-ki is a newly developing Indigenous Interprofessional Primary Care Access team that has care teams operating in New Liskeard and Kirkland Lake Ontario. The Mino M'shki-ki Indigenous Health Team is mandated to take a culturally-rooted approach informed by local Indigenous Traditional Knowledge, languages and cultural practices in its work with families and communities. A commitment to personal leadership, cultural competency and service excellence is a requirement of this position.

Duties Include:

- Utilizes the teachings of the Medicine Wheel to ensure a holistic approach to care delivery
- Provides flexible, holistic and culturally sensitive health services to Indigenous clients and the community to achieve better health outcomes and better access to health services for Indigenous people.
- Ensures cultural security and safety
- Effectively functions as a member of our interprofessional health team (including Physicians, Traditional Healers/Therapists, Diabetes Program, and other nurses)
- Provides health education and counselling related to health issues identified (i.e. mental health, family planning and medication adherence)
- Promotes health lifestyles and self-management with chronic illness
- Consults and works collaboratively with other Health Care Providers in providing excellence in client care using evidence-based practice
- Maintains documentation standards in the electronic medical record
- Operates within his/her full scope of practice
- Provides basic, advanced and diabetic foot care

Qualifications:

- Completion of an accredited Registered Practical Nurse Program or Baccalaureate Degree in Nursing
- Current registration in good standing with the College of Nurses of Ontario
- Experience working with electronic health record considered an asset
- 2 years of related/applicable experience in a Community or Primary Care setting working with Indigenous Clientele is preferred
- Strong knowledge of Indigenous history, cultural teachings, protocols, and ceremonies
- Enthusiastic, knowledgeable and passionate about Indigenous culture
- Excellent problem-solving ability with sound judgment
- Exceptional verbal and written communication skills
- Strong interpersonal skills with the ability to create a supportive and positive environment for staff and volunteers
- Proficiency in the use of computers and various software applications
- Demonstrated ability to work with the Indigenous population and sensitivity to Indigenous issues with the willingness to learn and accept diversity of Indigenous cultures and teachings
- Current satisfactory Criminal Record and Vulnerable Sector Check is required
- Fluent in Indigenous language an asset

All interested applicants please submit cover letter and resume by email/fax or drop off in person at either of our locations:

Jeanine Gilbert, A/Health Director-Program Coordinator

Email: jeanine.gilbert@tnwsg.ca

Deadline: March 11, 2019

Qualified Indigenous Peoples are particularly encouraged to apply. Only those applicants granted an interview will be contacted.
