If you thrive on success and team work in a team culture, Kirkland Lake Gold offers career opportunities on a global scale. We provide rewarding and challenging work that will help you grow your skills and your career.

Kirkland Lake Gold is committed to creating meaningful opportunities for our employees and we encourage everyone who works for us to contribute to their full potential. We are an equal opportunity employer and value diversity. We provide a safe work environment and seek to ensure all individuals are treated with respect and dignity, free from harassment, discrimination, bullying and retaliation. All employment is decided on the basis of qualifications, merit and business need. Disability-related accommodations during the application and selection process are available upon request.

Interested? We hope you are.

ABOUT THE OPPORTUNITY

Based at the Detour Lake Mine site, we currently have an exciting opportunity for a **Carpenter** join our Camp Services team reporting to the Camp Supervisor.

Detour Lake is the second largest gold producing mine in Canada with the largest gold reserves and substantial growth potential. The open pit mine is located in northeastern Ontario, approximately 300 kilometres northeast of Timmins and 185 kilometres by road northeast of Cochrane, within the northernmost Abitibi Greenstone Belt. The mine is situated in the area of the historic Detour Lake open pit/underground mine operated by Placer Dome which produced 1.8 million ounces of gold from 1983 to 1999. The Detour Lake operation has a mine life of approximately 22 years with an average gold production of 659,000 ounces per year.

The **Carpenter** will be responsible for general routine maintenance at both Lodges at the Detour Lake Mine.

RESPONSIBILITIES

Your responsibilities will include:

- Perform preventative and corrective maintenance at both Lodges;
- Conduct routine inspections to identify need for repairs;
- Conduct general maintenance work, including, painting, replacing ceiling tiles, floor tiles etc.,;
- Build, repair and install counters, cabinets, benches, doors and trim;
- Install various items in Lodge rooms including window blinds, door locks, furniture etc.,;
- Repair and replace general hardware in Lodges;
- Perform additional duties assigned by Camp Supervisor including labour work;
- Participate in activities that contribute to the overall achievement of 'World Class' safety performance where safety is owned and embraced by everyone;
- Promote a positive health, safety and environment culture and the Internal Responsibility System.

QUALIFICATIONS

Our ideal candidate has:

- Relevant trade designation/ certification preferred but not essential;
- 5 years' related experience;
- Ability to work independently and in a team environment;
- Ability to work efficiently;
- Excellent organizational skills;
- Attention to detail;
- Demonstrated commitment to safe working practices;
- Experience working at a remote work site is an asset.

Does this sound like you? If so, we would love to hear from you.

WHAT'S IN IT FOR YOU?

Together, we are building a world-class gold mine and our success is determined by the hard work and dedication of our team. All of our team members are rewarded with a competitive benefits package and on-the-job perks, including:

- Competitive salary
- Travel Allowance
- Group benefits package
- Training and learning opportunities

Should you be the successful candidate for this role, you will be contacted by a member of our Human Resources Department to schedule an interview.
