Matachewan First Nation

I am now trained and will be working as the Indian Registration Administrator on Thursdays starting **August 17, 2023** by appointment only. Please call or email me prior to coming in as I will be working with sensitive information.

Some things I am now able to assist you with are:

- Making red laminated Status Cards
- Filling and submitting applications for the white Secured Certificate of Indian Status (hard card)
- Filling and submitting applications for Registration.
- Verifying Birth Certificates and ID's so you no longer need to mail in originals.

When coming in, please have your appropriate ID. Should you not have all the required ID, I may be able to still assist you.

Please note: although I will try to respond to requests in a timely manner, I will be working as Indian Registration Clerk on Thursdays only so I may not be able to respond right away.
