

Housing Program

Your guide to what it is.

What is the housing program?

By Sky-Lynn Lafrance-Batisse, housing intern

The Housing Program was created to assist band members with any housing barriers/issues. The housing policy in 2006 over the years Matachewan First Nation started aiding band members where they could.

RRAP Programs for on reserve, letter of support for any rental applications you submit, research on housing opportunities in your area etc..

This program was put in place for band members to utilize and seek support when need be.
